We would like to reassure that it is our top priority to maintain the business continuity needed to provide support and service to all our customers around the globe. Our teams have been working 24 X 7 during this period and have been operating all our usual cargo vessels without any interruption.

You may rest assured that operations at the Port of Hambantota is continuing as per usual, while maintaining all safety and social distancing protocols in place by the Government of Sri Lanka and by the Hambantota International Port.
