

# NOTICE TO ALL STAKEHOLDERS

12<sup>th</sup> October 2021

## Health & Safety Notice for Clearing Agents & Port Users

**Purpose:**

Hambantota International Port is committed to provide a secure workplace at all times. In pursuit, of achieving this our business and operational activities comply with international laws, national laws and other relevant regulations. This notice illustrates HIP’s intentions on rectifying safety lapses and forms a critical part of our Safety Management System Framework.

**Scope:**

This notice applies to all Clearing Agents who visits the HIP operational areas and related facilities.

It is requested that all port users adhere to the following guidelines,

1. Minimum Personal Protective Equipment Standard (PPE standard)

High Visible Jacket	
Safety Shoes	
Helmets-Yellow Color	

It is advisable to wear all above personal protective equipment before you enter an operational area of HIP.

2. Traffic Rules and Management Plans (TRMP).
  - Users must comply with all warnings and information signs including speed limits within the facility.
  - Driving under the influence of alcohol or drugs will not be permitted at any time.
  - Using hand-held mobile phones while driving is strictly prohibited.
  - Always wear your seatbelt.

3. Contact details, for any inquiries.
